ANTIQUE RECLAIMED OAK RESAWN APPEARANCE-GRADE WHITE OAK

The strength, durability, and availability of the massive Oak trees that populated the early American forests made it the go-to timber for barn and granary construction. The mighty Oak is as much a part of Americana as the barn itself. These planks are resawn from authentic reclaimed barn beams, resulting in cleaner, more uniform planks than the usual reclaimed Oak floor.

DISTINCTIVE ATTRIBUTES

Our Antique Reclaimed Oak Resawn Appearance-Grade White Oak flooring features a moderate, authentic mix of sound checking, sound cracks, knots and insect holes/tracks, together with same strength, durability and wear-resistance as our other reclaimed Oak options.
